

Pricelist

We offer three different deals for home security systems, where the main difference between them is if you choose to have sensor detectors with or without cameras. All systems include a main panel, a wall mounted keypad, an entry sensor, motion sensors, smoke detector with a built in siren, prox tags, remote control and of course decals for your home to warn the burglar off.

Offer	Price
▶ Basic	2 995 SEK
▶ Camera deal 1	3 495 SEK
▶ Camera deal 2	3 995 SEK
Monthly fee (regardless of offer)	299 SEK/month

All deal comes with a 36 month subscription period.

All of our systems are connected to our emergency call center. Included in the offer is also a full 3 year warranty of your products as well as full and free support. And you don't pay extra if you ever come to need a security guard.

This image shows Camera deal 1, with one motion sensor and one camera sensor.

Getting a security system is as easy as 1-2-3!

1. Order your new system via our customers service whenever you are ready.
2. Schedule a date for installation by our verified personnel.
3. Install and your new system is ready to go!

All major certifications in Sweden recommend Älvsborgs Larmcentral.
